Product Description

Ariens Deluxe 28 Snow Blower - 921046

The Deluxe Series is consistently one of our best sellers because it has a history of knocking winter down a few notches. They're easy to maneuver and control with their standard Auto-Turn™ steering and huge 14" serrated all-steel auger. A high 21" housing height devours the snow before throwing it up to 50 feet at a rate of 62-72 tons per hour. Various engines and machine widths make it easy to find the right unit for your property. Behind a Deluxe, you're walking in the tire tracks of greatness.

- Wide 28" clearing width that moves 65 tons of snow per hour
- Powerful 254cc Ariens AX engine
- Premium features like Auto-Turn and an LED headlight
