Product Description

Ariens Deluxe 24 Sno-Thro Snow Blower

- Wide 24” clearing width that moves 62 tons of snow per hour
- Powerful 252cc Ariens AX engine
- Premium features like Auto-Turn and an LED headlight

Features

- **24″ Clearing Width** – Provides a wide clearing path and moves up to 62 tons of snow per hour.
- **252cc Ariens AX Engine** – Provides powerful performance for winter snow removal.
- **Two-Stage Snow Blower** – Designed to move snow efficiently through a two-stage clearing system.
- **Up to 50-Foot Throwing Distance** – Provides a throwing range of 3 to 50 feet.
- **Auto-Turn Steering** – Provides easier maneuverability and control during snow clearing.
- **LED Headlight** – Provides illumination for snow removal in low-light conditions.
- **24″ / 61cm Clearing Width** – Provides a 24-inch clearing path for residential snow removal.

Best Use

- **Residential Snow Clearing** – The 24″ clearing width provides practical coverage for winter snow removal.
- **Heavy Snow Removal** – The 252cc Ariens AX engine and two-stage design provide power for moving substantial snow.
- **Large Driveways and Walkways** – The 24″ clearing width supports efficient snow removal across larger areas.
- **Low-Light Conditions** – The LED headlight helps illuminate the area during early morning or evening snow clearing.
- **Local Snow Blower Service** – For maintenance and repair needs, a snow blower repair shop in South Dresser, WI can provide local service support.

24″ Two-Stage Snow Blower for Efficient Winter Clearing

The Ariens Deluxe 24 Sno-Thro Snow Blower combines a 24″ clearing width, 252cc Ariens AX engine, two-stage snow-clearing system, Auto-Turn steering, and LED headlight. This reliable two-stage snow blower is designed for users who need efficient snow removal, maneuverability, and visibility during winter conditions. Contact us today to learn more.
