Product Description

Echo DLM-2100 21" Electric Push Lawn Mower with 5.0Ah Battery & Standard Charger

The DLM-2100 push lawn mower, powered by the ECHO 56V Battery System, delivers hassle-free mowing with legendary ECHO power. With an auto-switch dual-battery dock, three quick-switch clippings discharge settings and a large 21 in. cutting deck, it makes cuts without compromise.

Features

- **21" Heavy-Duty Steel Deck** - Covers more lawn in fewer passes while providing durable, long-lasting performance.
- **ECHO 56V Battery System** - Delivers reliable cordless power for hassle-free lawn maintenance.
- **Includes 5.0Ah Battery & Standard Charger** - Comes ready to mow with a 5.0Ah battery and standard charger included, unlike the bare tool model.
- **Auto-Switch Dual Battery Dock** - Automatically switches to a second battery (when installed) to help reduce interruptions during mowing.
- **3-in-1 Discharge Capability** - Supports mulching, bagging, or side discharge for versatile lawn care. (*Bagging and side discharge sold separately.*)
- **Electric Push Mower Design** - Provides quiet, low-maintenance operation without the need for gasoline.
- **Heavy-Duty Construction** - Built with a durable steel deck for dependable performance season after season.

Best Use

- **Residential Lawn Care** - Ideal for homeowners maintaining small to medium-sized lawns with cordless convenience.
- **Ready-to-Mow Package** - Perfect for users who want a mower that includes a battery and charger

right out of the box.

- **Flexible Lawn Maintenance** – Switch between mulching, bagging, or side discharge to match different mowing conditions.
- **Equipment Shopping Options** – Browse our [2nd hand power equipment for sale](#) if you're comparing new and pre-owned outdoor power equipment.
- **Local Equipment Support** – Keep your mower performing at its best with a trusted [power equipment repair shop near Dresser, WI](#).

21-Inch Electric Push Lawn Mower with Battery and Charger
