### Product Description

#### PPT-2620 Features

- 25.4 cc professional-grade two-stroke engine manufactured from magnesium
- Automatic, adjustable oiler to match cutting conditions
- Easy start-ability especially for re-starts in hot, dusty climates
- Large 20.6 fluid ounce fuel tank for an extended run time between fill-ups
- Over-molded rear hand grip for extreme comfort
- Ribbed fiberglass outer shaft for rigidity and control
- Tool-less access for convenient in-field servicing
- A two-stage air filtration system dramatically increases cleaning capability and allows for longer maintenance intervals
