Product Description

Ariens Apex Series 52" Kawasaki

The APEX powers through the toughest mowing environments with the strength of professional engineering and the comfort you expect from an Ariens. As a residential zero turn, the APEX is in a class by itself with intuitive controls for precision performance.

Features may include:

- **Kawasaki FR651V Twin Engine** – 23-horsepower gas engine provides power for residential zero-turn mowing.
- **52″ Cutting Deck** – Wide 52-inch deck provides substantial cutting coverage for residential lawn care.
- **Full Tubular Steel Frame** – Tubular steel frame rails are designed for strength and stability while supporting machine loads.
- **10-Gauge Commercial-Grade Deck** – Thick 10-gauge steel deck is welded for strength, durability, and impact resistance.
- **Self-Adjusting Belt Tension** – Belt tension technology maintains constant tension to maximize belt life, minimize wear, and maintain a consistent cut.
- **15 Cutting Positions** – Foot-operated deck lift and pin selection provide 15 cutting positions in 1/4″ increments.
- **Deck Access Panel** – Provides access to blade spindles and belts for quicker and more thorough cleaning.
- **Padded Seat and Armrests** – Adjustable high-back seat with padded armrests provides added comfort during longer mowing sessions.

Best Use

- **Residential Lawn Care** – Designed as a residential zero-turn mower for homeowners handling demanding mowing environments.
- **Large Residential Lawns** – The 52″ deck provides wide cutting coverage for residential properties.
- **Precision Mowing** – Intuitive controls and 15 cutting positions support precise cutting-height adjustments.

- **Extended Mowing Sessions** – The adjustable high-back seat and padded armrests provide added comfort during longer periods of use.
