Product Description

EGO Power+ 21" Self-Propelled Mower with Touch Drive™ - LM2125SP

The EGO POWER+ 21" Self-Propelled Mower with Touch Drive™ delivers 6.0 foot-pounds of cutting torque—power that exceeds gas without the noise, fuss, or fumes. Touch Drive™ technology puts complete control of the self-propelled system in the palm of your hands by using pressure to engage the system. Easily control the variable speed with a dial positioned at your fingertips for safe and convenient operation. This cordless lawn mower delivers up to 60 minutes of run time on a single charge with the included 56V ARC Lithium™ battery. The electric lawn mower delivers precision cutting with its advanced mulching blade and seven cutting height positions from 1.25 to 4 inches, adjustable with one hand. Three-in-one functionality delivers your choice of mulching, side discharge, or bagging your grass clippings; an easy-access two-bushel grass collection bag is included. This self-propelled lawn mower includes bright LED lights for added visibility when mowing at dawn or dusk, and it folds flat for compact storage between cuts. Experience Power Beyond Belief™ with the EGO POWER+ 21" Self-Propelled Lawn Mower with Touch Drive™.
